@ 2 2700-25 - 1927 from D C asking for the 12 lakh be kept - of the est made from the Chief Engr

Letter no C- 2-2700/25 Q 21 10 27 from the Dy Comr Bangalore Dist

Submits for administrative sanction an estimate amounting to Rs 24806/ for constructing the Town Hall at Channapatna received after perusing from the Chief Engr

2) It is proposed to construct a town wall building consisting of a Stage of 36' x 28', a Hall of 70' x 36' and 4 small size rooms each measuring 16' x 7' with a verandah of 10' wide around

3) It is suggested by the Dy Comr that the cost of the estimate may be shared equally between Govt and Channapatna Taluk Council and the Bangalore District Board

4) As regards Govt share, the Dy Comr was requested in this office letter no L 2647/Rel 169-25-7 dt the 22d October 1926 to select funds for the Channapatna Town Hall out of the last year's grant for "Town Improvements" in the Bangalore District. He accordingly suggests that the Govt share of the cost of the estimate amounting to Rs 8,000/ may be spread over the years, and met from the grant made for the Town Improvements in the District during the current

R

current year and in the next year to the grant of Rs 8000/ allotted to the District for the current year is found inadequate, the Dy Comr may ask for a special additional grant for the Town Hall as estimates by him separately

5) As regards the Rural Share it is stated that, owing to the low finances of the Chamarajanagar Rural Council, the Govt may grant a loan to the extent of Rs 8000/ on the security of Rs 16000/ State Loan Bonds of the Municipal Council of Chamarajanagar. If sanctioned the Rural Council will have to be consulted regarding the terms of the loan.

6) The District Board of Bangalore will have to be consulted in the matter of their share of the Cost proposed by the Dy Comr

7) Before according administrative sanction to the estimate the following points will have to be settled

1) Whether the Govt share of the cost be spread over two years & how much will be paid each year

2) Whether Govt will grant or finance the Rural Share by a loan as proposed above

3) Whether Govt will transfer the establishment and tools and plant charges of the work of

DNO 168-25-R

Sir,

With reference to your letter No L 7741 dated 30th June 1926 calling for a report in the matter of constructing the Town Hall at Chennapatna, I have the honour to state that the construction of the Town Hall building has not yet been started, and that Government in their proceedings No L 1165-6/ Ml 160-24-46 dated the 19th August 1925 while sanctioning the Budget estimates of the Chennapatna Municipality for the year 1925-26 observed as follows --

> "The Municipal Council have provided a sum of Rs 1500/- for payment of a contribution to the Town Hall The provision, is reduced to Rs 1200 in order to keep up the prescribed minimum balance and sanctioned with the observation that payments beyond Rs 200/- on this account should not be made without the previous sanction of Government and should be limited to the amount actually realized from sale of sites during the year"

Proposals to utilise the amount have not so far been received from the President, Chennapatna Municipal Council

A detailed report has been called for from the President, Chennapatna Municipal Council and also from the Sub Division Officer, Closepet Sub Division regarding the other particulars mentioned in the letter under reference, and I shall submit a furtner report with fuller particulars on the receipt of reports now called for from the President, Chennapatna Municipal

Municipal Council, and Sub Division Officer, Closepet

I have the honour to be,

Sir,

Sir,

Encl 168-25-3

With reference to your letter No L 295 dated the 14th Jul 1926 re the completion of the Town Hall building at Chennapatna I have the honour to submit herewith copy of memo dated the 15th July 1926 received from the Sub Division Officer Closepet Sub Division reporting the stage at which the matter stands

In order to take effective steps to complete the building, I have called for a meeting of people of the Taluk and Town of Channapatna on the 3rd August 1926 and all proposals for completing the building will be discussed then The Assistant Engineer Chennapatna Division has also been requested to be present then

The decision which will be arrived at, at the meeting will be reported to Government, and further action will be taken in consultation with the Local Bodies concerned

I have the honour to be,
Sir,
Your most obedient servant,

No H.C 10/26-27
11th July 1926

Reference -- Memo No C &-2700-25 dated 3rd July 19 6 from the Deputy Commissioner, Bangalore District calling for the submission of a report on certain points about the construction of the Town Hall at Channapatna

---

With reference to the above I beg to submit as follows --

(1) The work was started in the year 1916, and the foundati and basement works are complete

(2) No grant has yet been made by Government for the Town Hall A grant of Rs 6000 was asked for and Government promised to consider the question in the Government Order of the 3rd Ja uary 1924, if the work was started As soon as the revised plan and estimate recently proposed by the Municipal Council is received from the Public Work Department, as stated below, the work will be restarted and an application will be made for the Government grant An allotment of Rs 1200 was made in the Municipal Bud et of last year i e , 1925-26 but it could not be worked out as the revised estimate had not been received

The Municipal Council have resolved to pay a contribution of Rs 4000 towards the work

An amount of Rs 2565 has been collected by private subscription

The latest estimate prepared for the entire building was for Rs.21,650, An amount of Rs 21,000/- may approximately be now required, for completing the building according to the proposed revised estimate which has not yet been received

The work is under the supervision of the Municipal Council

The District Board were not willing to contribute The matt was again pressed, and the subject is under correspondence The Taluk Board have resolved that an allotment of Rs 1000 may be given This is pending the sanction of the District Board

The Municipal Council at their meeting on 21st September 1925 resolved, that the building may be constructed so as to be t both for dramatic purposes and Cenima shows, with a view to mak

to make it a concern profitable to the Municipality and consequently the plan was again sent to the Assistant Engineer, Channapatna for revision and preparation of a new estimate therefor

The fresh plan and estimate will be submitted with a detailed report as to all the requirements of the Municipality in this connection with the Council's resolution thereon

The progress reports will be submitted monthly as directed

To

B Nagappa, Esq , Bar-at-law ,
Secretary to the Government of His Highness
the Maharaja of Mysore, Local and Legislative Depts ,
Bangalore

Sir,

In continuation of this office letter No ~~e.C-2-2700-25~~ dated the 29th July 1926 re the construction of the Town Hall Building at Chennapatna, I have the honor to submit herewith for the information of Government a copy of the proceedings of a meeting of the citizens of Chennapatna held in the Taluk office at Chennapatna on the 3rd August 1926

2 From the proceedings it will be seen that a representative committee consisting of the members of the District Board, Chennapatna Taluk Board, Chennapatna Municipality and the marginally noted Government officers has been reconstituted for purposes of renovating the building

Mr T Govinda Rao, Sub-Division officer, Closepet,
Mr G Everard, Assistant Superintendent of Police Chennapatna,
,, C K.Chellappa Iyer, Amildar, Chennapatna,
,, K V Srinivasamurthi, Assistant Engineer

A Sub-Committee consisting of non-official gentlemen has also been formed for raising subscriptions

3 It was the general sense of the meeting that the revised estimate costing Rs.35,200/- may be recommended for sanction as it is proposed to let out the building for Dramas, Cinemas etc, and thereby earn an income of Rs 1,000/- annually

4 The financial aspect of the question was fully discussed and the present resources of the Municipality did not admit of any money being or the purpose now It was therefore resolved to --

raise the required amount from the following sources -

1	Contribution from the Bangalore Dist Board	Rs	4,000/-
2	-do- Taluk Board of Chennapatna		2,000/-
3	-do- Chennapatna Municipality by loan		12,000/-
4	Balance of promised subscription		3,600/-
5	Contribution from Government		12,000/-
		Rs	33,600/-

5 The sense of the meeting was that the amount of Rupees 33,600/- was enough to complete the building as the foundation work valued at about Rs 1500/- had already been done and as there was also a sum of Rs 200/- on hand with the Town Hall Committee It is the intention of the Chennapatna Municipal Council to approach Government for a loan of Rs 12,000/- on the security of Rs 10,000/- State Loan Bonds which they have and also for a liberal grant of Rs 12,000/- from State Funds General administrative sanction of Government for the porposal may be kindly accorded if there is no objection, in order that plans may be worked out on the basis proposed

6 The Assistant Commissioner, Closepet Sub-Division, who is the Chairman of the reconstituted renovation committee has been asked to take needful action without further delay to have the several proposals matured A copy of the proceedings of the meeting has been communicated to the President, Bangalore District Board, President, Chennapatna Taluk Board, President, Chennapatna Municipal Council and to the Chairman of the -- Renovation Committee

7 As directed by Government in their letter No L 7741 dated the 30th June 1926, a monthly progress report will be submitted to Government.

Resolutions

I The Town Hall Committee may be reconstituted as follows -

(1) The representatives of the Municipal Council of Chennapatna -

Mr Basavaraj Urs
" Ramakrishna Reddy
" Dase Gowda

(2) Three representatives of the Taluk Board

Mr C. Ramachandra Rao
" Sidde Gowda Patel of Thimmasandra
" Rame Gowda of Chakkere

(3) Two members of the District Board

Mr Avverahalli Kenche Gowda
" Mahomed Khasim Khan of Chennapatna

(4) Four members of the general public

Mr Ramasanjeeva Reddy
" Puttusami Gowda of Mangalavarpet
" F M Abdul Khudas
" Venkatappa of Thitmaranahalli

(5) The Sub-Division officer will be the President, the Amildar will be the Vice-President the Assistant Engineer will be a member

(6) The Amildar will be the Treasurer

Sub-committee for raising subscriptions will be -

1 Mr Basavaraja, Chairman
2 " V Venkatappa of Thitmaranahalli
3 " C Ramachandra Rao
4 " Ramakrishna Reddy
5 " Mahomed Khasim Khan Saheb and
6 " L C Sreenivasiah with power to coopt other members

II The general opinion at this meeting is that the plans and estimates as revised by the Assistant Engineer costing Rs 35200 may be sanctioned as it is proposed to let the building for dramas and cinemas and earn about Rs 1000/- per annum

III It is proposed that the cost may be met as follows -

(1)	Expected District Board contribution	4000
(2)	Expected Taluk Board contribution	2000
(3)	Expected contribution from Chennapatna Municipality	12000
(4)	To be given as loan by Government and remouped in instalments at Rs 1000/- a year the security being the state loan bonds of the Municipal Council for Rs 10000/-	
(4)	Public subscriptions expected - balance of promised amount	3600
(5)	Government contribution to be asked for	12000/-
		33600/-

This amount will be enough to complete the building according to the revised estimate of 35200, as the foundation work worth now about Rs 1500/- has already been done and as there is also cash on hand with the Town Hall Committee to the extent of about 200

IV Necessary recommendations may be made to Government.

Sd/- B. Venkoba Rao,
Deputy Commissioner.

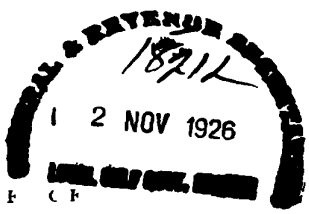
ELECTRICAL SECRETARIAT

Dated Bangalore 30 October 1926

20.33



FROM

K R SESHACHAR ESQ BA BE CE
Secretary to the Government of Mysore
Electrical Department
Bangalore

Ord 168-25-8

B Nagappa, Lsq , Bar-at-Law ,
Secretary to Government,
Local and Legislative Departments,
BANGALORE

Subject - Supply of electric light and construction of a Town Hall for Chennapatna Town

Sir,

I am directed to forward herewith a representation dated the 20th October 1926 addressed to the Dewan of Mysore by the Chennapatna Municipal Council on the above subject, and to --- request that necessary actipn may kindly be taken, with reference to Dewan's Order (b) dated 22nd October 1926

2. Separate action is being taken in this Secretariat in re (a) supply of electric light to Chennapatna Town

I have the honour to be,

Sir,

Your most obedient servant,

K R Seshachar

Secretary to Government,
Electrical Department

To

The Dewan Saheb,

Mysore State,

Mysore

Sir,

We the undersigned Municipal Councillors, of Channapatna Town Municipal Council respectfully beg to thank you for this kind opportunity granted to us to represent the question of sanctioning the scheme of Electric Light and Power to Channapatna

1 The idea of the introduction of Electric Lighting was conceived, by the Channapatna Municipal Council about two years ago But owing to various causes the subject was not urged With the advent of Electric Lighting to Kankanhalli, the interest in the scheme, in this town, revived, the subject was pressed The scheme was investigated, statistics collected, a meeting of the principle citizens with the Chief Electrical Engineer was arranged, and definate proposals have been formulated It is also understood that plans and estimates are under preparation in the Department We beg leave to place before you, first of all, the circumstances that will contribute to the success of the scheme, and make it a profitable undertaking

2. Channapatna is a big and thriving town situated on the Mysore Bangalore Road and is also a Railway Station and a trade centre The people are generally prosperous Their standard of comfort is a little high and consequently the demand

demand for Power is sure to be great There are various Industries in the Town which will, not only require a large quantity of Power as they are, but which are sure to expand on the advent of Electric Power, thus creating a larger demand for Power and increasing at some time the earning Power and material prosperity of the people The comparative proximity of the Line is a favourable circumstance and the more or less central position of the Town between Bangalore and Mysore is conducive for the extension of the Power Line on the both sides In our humble openion it is also part of a scheme of improving and beautifying the important Mysore - Bangalore Road It will be an important Power Station if the Railway Department should happen to require Electric Power in future in any considerable quantity It will also be an outlet for the utilisation of the surplus power that can be spared by the Department A scheme that is so full of present and future promises cannot but be of a remunerative nature The statistics collected, even so far as mere lighting is concerned warrant this assumtion If the proceeds from the consumption of power for machinery etc , are mmmk reckoned the net profits would work up to a higher figure

3 But the introduction of house to house connection even for lighting is with any amount of acceleration a process of time and it is just possible that in the first one or two years the full minimum profit expected is not realised but the Department want a guarantee of 5% profits on

on investment apart from working expenses The Municipal Council after great deliberation have resolved to guarantee 3% profits on investment apart from working expenses for the first three years and 5% afterwards With this assurance the Department are not satisfied It is on this point that there is difference On all other points, the Department and the Municipal Council are at one The hesitation to assure 5% profits from the start does not arise from any diffidence on the part of the Municipal Council in the popularisation of the scheme or their want of eagerness in the matter The Municiapl Council understand that in insisting on the 5% profits, the Department want, so to speak, an Insurance against loss This evidently means that the Municipal Council have to make good the difficiency at each year's end This they find themselves unable to do at present owing to pancity of funds But the Municipal Council are quite willing if need be, in the alternative to make good at the end of 10 years any difficiency incurred in the interval Our prayer now is that if the Department cannot undertake the responsibility of carrying out the work on the strength of the guarantee now held forth, by the Municipal Council, that the Government may be pleased to come to the rescue in view of the eventually profitable nature of the scheme and the possibility of its extension It is with this prayer that we have respectfully approached you this day At the same time we promise not to relax our efforts in popularising the scheme of Electric Lighting in the Town but to see that the demand for

for Power required for ensuring the fixed standard of profit is reached earlier than is now anticipated

4 We enclose herein an abstract table showing the amount of profits required to be guaranteed and the amounts of profits actually guaranteed by the Municipal Council as well as the copy of the Resolution of the Municipal Council on the subject A table showing the number of indents of several kinds so far received from the citizens and their financial effect is also enclosed

5 If we are not encroaching on your valuable time we beg to submit in brief representations on some other matters affecting Channapatna of which we have not given intimation in the letter asking for interview for which we beg to be pardoned

6 The construction of the Town Hall was conceived as part of the Economic activities of the Taluk in the early days of Dr Sir M Visweswariah's Dewanship Owing to the eagerness of completing the work, the work was started even before the major portion of the funds required were collected If the matter had been pursued with the same steadiness with which it was commenced, the building might have been finished years before But various difficulties arose which it would be tedious to enumerate here The work stopped for a long time The delay led to new difficulties The enthusiasm of the people in general lessened Cost of materials increased Revision of estimate and change of design became necessary The latest estimate is for Rs 35,200/- The completion of the building which has all along been a subject of local

local interest is now seriously contemplated It is also necessary considering the importance and size of the town and its possibilities of expansion But it does not look as though any attempt to raise more funds by subscription would be successful at this stage till the building is recommenced and the work is in full swing The present proposal of financing the work is as follows :-

The grant prayed for from Government	Rs 12,000/-	
The grant by the Municipal Council	Rs 12,000/-	Proposed to be obtained as loan from Government on the security of the State Loan Bonds invested
The grant proposed to be asked for from District Board	Rs 4,000/-	
The grant proposed to be asked for from Taluk Board	Rs 2,000/-	
Present estimate of work executed	Rs 2,000/-	
Balance to be raised by subscription	Rs 3,200/-	

Now the total estimate is for Rs. 35,200/- The question arose as to whether the estimate could not be reduced and whether a more modest building was not enough It was considered that only in the event of

the present plan and estimate being adopted the building would be fit for staging dramas etc , so as to make the building a source of income If the Chief Engineer who inspected the site with the Deputy Commissioner under instructions from Government has promised to see however whether the estimate cannot be reduced As this is a matter of Municipal interest, the Municipality have agreed to pay a good proportion of the estimate But, as the incomplete building cannot be left in this state any longer or has to be completed without delay, there is no other way of doing it except by getting a loan from Government The Municipal Council are also thinking of improving their resources and though the amount asked for by them as loan may be considered rather high, they are confident that they will be able to repay the amount in a reasonable time Moreover every improvement done to the town may be expected to yeild a return in some shape had to the Municipality We therefore humbly pray that you may be pleased to favourably consider this request of ours also We much also acknowledge our gratefulness for the hope already held out of a grant from Government

In conclusion, we pray Sir for your long life and prosperity and pray that the loyal feelings of the people of Channapatna and their representatives may to the throne of Mysore may be kindly conveyed to His Highness the Maharaja of Mysore. Begging to be pardoned for the trouble

We beg to remain,

Sir,

Your most obedient servants,

Channapatna,

21 FEB 1927

Sir,

In continuation of this office letter C-2-2700-25 dated the 9th February 1927 re modified estimate for constructing the Town Hall at Chennapatna, I have the honor to forward herewith in original the report No 713 dated the 4th February 1927, from the President, Chennapatna Municipal Council, together with its enclosures. Both the Municipal Council and Town Hall Committee are of opinion that the estimate may well be kept within Rs 2,500, and I agree It is well nigh impossible to collect funds for a costlier project.

I have the honor to be,
Sir,
Your most obedient servant,

CHIEF ENGINEER OF MYSORE. 26.2.27

6413

Letter No. 7560 dated the 8th February 1927 from the Secretary to Government of Mysore Bangalore to the Executive Engineer, Bangalore Division, Bangalore - ---

RE: TOWN HALL AT CHENNAPATNA.
(Executive Engineer's letter No.721 of 25-12-26)

In returning the plans and the report regarding the proposed design for the above building, has the honor to request the Executive Engineer to be so good as to arrange to submit a correct plan and section showing the portion of the structure as it actually exists with any remarks regarding the present condition of the masonry in plinth and foundation, a list of materials collected if any may be also prepared and sent.

The Municipality may be informed that it would be unsafe to construct on the existing substructure a hall of a width exceeding 20 feet and of suitable length which may be about 70 or 80 feet and that such a hall can be made use of only for Cinema shows and not for holding dramatic performance and that the cost may amount to about Rs 25,000/-. If however they desire that a large hall suitable for dramas and measuring about 50 x 110 (including a stage 30 feet deep) is required they may be informed that such a hall cannot be constructed on the old foundations and that the whole structure must be constructed as per separate design to be specially prepared for the purpose on wider foundations to be newly excavated and with verandahs on three sides which are essential for the safety of the structure in which case it is likely to cost not less than Rs 75,000/-.

The opinion of the Municipality on the above may be kindly obtained and communicated.

E.J.P.

No 02 270C/25. Office of the Deputy Commissioner,
Bangalore District,

Bangalore, dated the 21st October 1927

From G. S Mahlikar, Esq., B.A., LL B.,
Deputy Commissioner,
Bangalore District

1903
28 OCT 1927

To R. Ranga Rao, Esq., B.A., B.L.,
General Secretary to the Government
of Mysore, Bangalore

Sir,

With reference to your letter No L 1905/Rl 16c-25-6 dated the 9th September 1926 and in continuation of this office No 02/270C/25 dated the 9th September 1927, I have the honour to submit herewith for favour of sanction of Government, detailed plan and estimate for Rs 24,106/- for constructing the Town Hall at Channapatna received after scrutiny from the Chief Engineer in Mysore

2 Now that the exact amount to be spent on the work has been ascertained, I have addressed the Town Hall Committee to formally sanction the estimate and I have also addressed the Municipality and the District Board to formally decide the contribution that they have to make and I shall address Government as soon as I receive their resolutions I may, however, suggest for the consideration of Government that the expenditure may be met in equal shares by the Municipality, the District Board and the Government The District Board have taken over the surplus of the Channapatna Taluk Board, a sum of Rs 7153/- in cash and Rs 6,000/- bonds belonging to the late Channapatna Taluk Board and it seems to me but right that the District Board should pay a sum of Rs 6,000/- at least The cash balance of the Channapatna Municipality has run very low being only Rs 1167/- excluding "public debt" at the end of June 1927, and the Municipality may not be able to spare any cash towards this object and I could therefore suggest that on the security of Rs 10,000/- 3½ Loan Bonds that the Municipality possess Government might be pleased to grant a loan of Rs 6,000/- to

repayable in 8 years

3 As regards the Government grant I beg to urge that Government be pleased to make an allotment of Rs. 8,000/- out of the grant for town Improvement allotments The contribution may be spread over two years I request that administrative sanction may be kindly accorded to the estimate

4. In the meanwhile action will be taken to get the resolutions of the Local bodies concerned The Chief Engineer has expressed that the usual establishment and tools and plant charges (10½ percent over the estimate) have to be added on th the estimated cost, if it is decided to entrust the work to Public Works Department Considering the magnitude and importance of the work, that Department may be entrusted with the execution of the work The establishment and tools and plant charges may as a concession be waived

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Bangalore District.

Regd to preparing the estimate for constructing a Town Hall at Coonoor.

Reference.- Chief Engineer's No.7.702 dated the 3rd July 1937.

The accompanying sketch has been prepared as per above reference and is based on the plan received therewith. It provides the following accomodation.-

Stage 30' x 30'

Hall 70' x 30'

4 small corner rooms.

each 16' x 9' (2 for office and 2 note rooms.

verandah around 10' wide.

The foundation will be of stone jolly concrete of 1-0" depth for the first footing and of stone in mortar of 2' deep for the 2nd footing.

The basement will be of stone in mortar of 3' high.

The superstructure will be of burnt brick in mortar of 18" thick and 16' height. The pillars in verandah will be circular of brick in mortar masonry.

The roofing of the verandahs will be of local crushed terrace supported on steel joists and that of the main hall and the stage will be of Ist class Mangalore tiles roof with Mangalore tile ceiling supported on teak rafters, teak rafters and iron trusses.

For all wood work, doors, windows etc., teak wood has been provided.

Flooring for the verandahs and main hall will be of Indian slabs on 3" deuterite and teak of the stage to be of 1½" wood boards

sufficient lamp cum ventilators for the main hall and on the other rooms. A sum of Rs.500/- is also provided for temporary supervision charges when necessary. No provision is made for establishment, tools and plant since the work is necessary only for very few months.

Usual rates that are necessary for the locality have been provided and the estimate amounts to Rs.24,000/-

Executive Engineer.

R e a d

Correspondence ending with G O No 4978-79/MI 110-23-2 dated 3rd January 1924 stating that Government will consider the question of making a grant ~~on this account~~ if the work of constructing the Town Hall at Chennapatna is actually undertaken

Z

2. Correspondence ending with letter No.C.2-2700/25 dated 21st October 1927 from the Dy Comr submitting for sanction an estimate for the work scrutinised by the Chief Engineer amounting to Rs 24,106/- and stating among other things, that the cost may be borne in equal proportions by the Govt the Municipal Council of Chennapatna and the Bangalore District Board

P.W.D I

3. Letter No C 2-2700-25 dated 15th November 1927 from the same officer forwarding a copy of the resolution of the Chennapatna Municipal Council agreeing to contribute Rs 8,000/- for the purpose and requesting that in consideration of the low finances of the Council, that Govt. may advance the amount as a loan on the security of the State Loan Bonds of Rs 10,800/- held by the Municipal Council, the amount being repayable in eight years

P.W.D II

4 Letter No C 2-2700-25 dated 27th February 1928 from the same officer, submitting an extract from the resolution of the Bangalore District Board of 11th/12th January 1928 declining to make any grant for the present for the work in question

P.W.D III

48

Order No L

Dated, Bangalore, the

The estimate for Rs 24,106/- as scrutinised by the Chief Engineer is sanctioned, the establishment, roods and plant charges being waived as a special case

As regards the Municipal share of Rs 8,000/-, Government are pleased to sanction a loan of Rs 8,000/- on the security of Govt Bonds, the loan will carrying interest at 5½ per cent per annum, the amount being repayable in 8 years, interest realised on the bonds being credited to Govt as it accrues.

Govt. have no objection to the proposal of the Deputy Commissioner to pay up the Govt share of contribution of Rs 8,000/- out of Town improvement allotments in 2 or 3 years. Govt regard the establishment for carrying out the work of the construction of a Town Hall is a measure likely to promote the interest of the public in the District, and as such is one falling within the purview of Section 45 (1) (m) of the District Board Regulation, Govt further the surplus balances of the Channapatna Taluk Board amounting to Rs 13,153 as per details furnished in the margin have also been credited to the District Board, the District Board cannot reasonably refuse to make any grant for the purpose. Govt. therefore direct that the Board should contribute their quota amounting to Rs 8,000/- for the construction of the Town Hall referred to.

Rs 7,153/- Cash
& Rs 6,000/- in bond

General Secretary to Govt

To
The Deputy Commissioner, Bangalore.
The President, Dt. Board, Bangalore, through the Deputy Commissioner, Bangalore
The Comptroller to Govt
The Chief Engineer in Mysore with plan and estimate

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

Read:—

[illegible] dated 3rd January 1986, whereby the Government will consider the question of making a grant in the case of constructing the Town Hall at [illegible] as specially undertaken.

2. [illegible] dated 13th August 1987 from the Deputy Commissioner, Bangalore, submitting her proposals for the work mentioned by the Hon'ble Minister for Rs.50,000/- and stating among other things that the cost may be borne in equal proportions by the Government Municipal Council in question and the Bangalore District Fund.

3. Letter No.S-2704-86 dated 14th November 1987 from the above officer forwarding a copy of the resolution of the Chamarajpet Municipal Council agreeing to contribute Rs.5,000/- for the improvement and proposing that in consideration of the 50% financial assistance of the Government, the Government may advance the amount as a loan on the security of the Whole Town House of Rs.10,000/- held by the Municipal Council. The amount being repayable in eight years.

4. Letter No.S-2705-86 dated 18th December 1987 from the same officer, submitting an extract from the resolution of the Bangalore District Board of 11th/12th January 1988 declining to make any grant for the purpose for the work in question.

Order No. 5457-60/ml 166-25-16 Bangalore, dated the 16th April 1988.

The question was considered by the Cabinet in connection with the preparation of the Budget Estimates for 1988-89 and orders issued as follows:

"As requested the Municipality may be given Rs.5,000/- [illegible] Town Hall at Chamarajpet on the understanding that the Municipality will bear the entire cost of the work."

the amount will be repayable in 3 years and interest realised on the bonds being credited to Government as it accrues.

Government have no objection to the proposal of the Deputy Commissioner to pay up the Government share of contribution of Rs.5,000/- out of Town Improvement allotments in 4 or 5 years. As regards the District Board's share, Government observe that the work of the construction of a Town Hall is a measure likely to promote the interests of the public in the District, and as such is one falling within the purview of Section 45 (3) (m) of the District Board Regulations; and as the surplus balances of the Channapatna Taluk Board amounting to Rs.13,155/- as per details furnished in the margin, have also been credited to the District Board, the Board cannot reasonably refuse to make any grant for the purpose.

Rs.7,155/- cash.
Rs.6,000 in Bonds.

They therefore direct that the Board should contribute their quota for the construction of the Town Hall referred to amounting to Rs.5,000/-.

By General Secretary to Government.

To

The Deputy Commissioner, Bangalore.
The President, District Board, Bangalore.
through the Deputy Commissioner, Bangalore.
The Comptroller to Government.
The Chief Engineer in Mysore with plan and estimate.

MK.G.
